

Matt Backer Wins Independent Music Network Favourite International Artist Award!

Friday, 03 January 2014 18:29 - Last Updated Friday, 03 January 2014 18:32

We received word late yesterday that Matt Backer won The Independent Music Network's Award for Favourite International Artist.

In true international form, Matt accepted news of the award via his mobile phone on an airplane....on his way to a show!

Congrats Matt. We're all so proud of you! Here's a smiling Mr Backer in GOOD COMPANY with Martin Fry and his bandmates in ABC.
